The author is considered who will upload the images with own name. The copyright property is meant as the creation of the work as a particular expression of intellectual work. The author of the work is considered, unless it is proven otherwise, who is referred or is announced in the representation of the work itself. (L. 22/04/1941 n ° 633).

Waiver, to be signed by picture subjects and to be attached during registration, is available for download on PHOTOGRAPHIC CONTEST 2017 page.

Only pictures taken with digital devices (Reflex camera, compact camera, tablet and smartphone) are allowed.

3) POST PRODUCTION

The aim of the contest is to create funny and original photos. Digital picture processing is permitted, but compositions or editing of multiple pictures (e.g. dual exposure, hdr, add / delete substantial elements, etc.) will not be allowed.

4) RESPONSIBILITY

The author of the photos is the only responsible for its content. No pictures are allowed that could damage personal dignity or otherwise damage the image and the name of the organizer, sponsors, public administration and any other person (natural or legal person). In the event of uploading on the portal, pictures those violate any law, third party rights or even inappropriate, the author of the above pictures will release form liability the ENGEA/OIPES organizer that will be free of any claim, whether it is economical or not , from third parties. Such pictures could be removed from the gallery at the indisputable discretion of the organization. The organization in any case declines any responsibility from now on this.

5) THEME

The photographic theme concerns horse and all that it is about. Photos will not be accepted where the horse and/or its world is not portrayed explicitly and clearly. Photos can be taken inside or outside of any horse riding centre in Italy or abroad, in full respect of animal welfare and made with the total technical and creative freedom.

6) DEADLINE

The delivery of the pictures can be performed only by web, accessing the web sites mentioned above in the CONTEST FOTOGRAFICO 2017 section.

Each participant can upload **only one picture**.

The deadline for submitting picture is within August 31, 2017 at 23.59.

7) IMAGE FORMAT

Only pictures in .jpg format can be sent

Minimum file size is 1000 x 1500 pixels and maximum of 2 mb.

However, the retention of the original high definition file is required, to be provided in case of victory or if requested by the jury in case of doubt in the competition.

The uploaded file, as before described, must not contain any signature or watermark that identifies the author of the work, otherwise disqualification from the initiative can happen.

8) EXPOSURE AND DIFFUSION OF PICTURES

All photographs sent by the participants can be published with the author's signature for initiatives directly and explicitly linked to OIPES's social goals (permanent gallery on the website, industry magazines, promotion, press articles, etc.). Photo contest organizers are not responsible for any claims for compensation made by porters or parents having parental authority over minors appearing in photographs. The author of the photographs acknowledges the right of the organization to communicate to the subject of the photograph the name of the shooter, so that he or she responds directly (in addition to shutting the organization, as previously stated) against the Allegedly injured subjects.

9) COPYRIGHT

ENGEA and OIPES does not acquire the copyrights of uploaded images.
